(1) SRO units are single room units without both a kitchen and a bathroom.

(2) 0 Bedroom units have both kitchen and bathroom (efficiency and studio units)

**(3) HOME units must comply with applicable HOME Low or High rents. Apply the most restrictive rent when different.**

**Rent increases on City of Oakland restricted affordable housing units are subject to City approval based on the current annual rent increase policy.**

Rents must be reduced by an allowance for tenant-paid utilities.

Sponsors may use the utility allowances under the federal Section 8 program as published by the Oakland Housing Authority, or sponsors may present documentation substantiating other figures.

To calculate Utility Allowances, see the Oakland Housing Authority's Utility Allowance chart, available at [www.oakha.org](http://www.oakha.org). Housing developments with loan closings after 8/23/2013 must use the HUD utility model to calculate the utility allowance.
