

THE ALAMEDA COUNTY PLANNING DEPARTMENT  
INVITES YOU TO A COMMUNITY MEETING  
TO DISCUSS POTENTIAL SOLAR POLICIES  
FOR RURAL AREAS OF THE COUNTY

WHEN: Thursday, June 23, 2011  
6:00PM - 8:30PM

WHERE: Alameda County Public Works Building  
4825 Gleason Drive, Dublin

With interest in solar energy growing in Alameda County, the Board of Supervisors has directed staff to devise policies for determining appropriate locations for large-scale solar facilities in rural areas. While development of solar power generation is desirable for many reasons, like most technologies and land uses it requires the consideration of a number of sometimes competing factors. We invite you to join us for a discussion of the issues.

It is not necessary to RSVP for the meeting. If you have any questions about the meeting, please contact Liz McElligott at (510) 670-5400 or by email at [elizabeth.mcelligott@acgov.org](mailto:elizabeth.mcelligott@acgov.org).
