RFP/Q No. CON201508 – Five Canyons Monument Landscape Lighting

In order to meet the Small Local Emerging Business (SLEB) requirements of this RFP/Q, all bidders must complete this form as required below.

Bidders not meeting the definition of a SLEB (<http://acgov.org/auditor/sleb/overview.htm>) are required to subcontract with a SLEB for at least twenty percent (20%) of the total estimated bid amount in order to be considered for contract award. SLEB subcontractors must be independently owned and operated from the prime Contractor with no employees of either entity working for the other. This form must be submitted for each business that bidders will work with, as evidence of a firm contractual commitment to meeting the SLEB participation goal. (Copy this form as needed.)

Bidders are encouraged to form a partnership with a SLEB that can participate directly with this contract. One of the benefits of the partnership will be economic, but this partnership will also assist the SLEB to grow and build the capacity to eventually bid as a prime on their own.

Once a contract has been awarded, bidders will not be able to substitute named subcontractors without prior written approval from the Auditor-Controller, Office of Contract Compliance (OCC).

County departments and the OCC will use the web-based Elation Systems to monitor contract compliance with the SLEB program (Elation Systems: <http://www.elationsys.com/elationsys/>).
