

PATTERSON PASS ROAD SAFETY IMPROVEMENT AT MILE MAKER 6.4

Public Works Agency
Alameda County

Daniel Wokdesenbet, Ph.D., P.E., Director

399 Elmhurst Street • Hayward, CA 94544 • (510) 670-5480 • www.acgov.org/pwa

The Alameda County Public Works Agency will be soliciting bids from prospective contractors to construct the Patterson Pass Road Safety Improvement Project at Milepost Marker 6.4 this Summer 2015. This project will require Patterson Pass Road to be closed to all vehicular traffic (except to emergency vehicles), pedestrians, and bicyclists at milepost marker 6.4 for the entire duration of the project, approximately 60 days.

Once the project has been awarded, we will work with the contractor to develop a construction schedule and send updates to advise you of the start date of this project. Updates will also be posted at our website.

For more information, please visit our website at www.acpwa.org/pwa/updates or contact the Bond Ng at (510) 670-5785 (email: bond@acpwa.org).

PATTERSON PASS ROAD (24/7) CLOSURE

(Actual days to be determined)
